TRAVEL USING E-ZPASS OR TOLL BY PLATE LANES

Yes, E-ZPass is accepted on many toll roads throughout states in the eastern half of the United States.

In addition to Pennsylvania, it can be used in the following states:

- Delaware
- Florida
- Illinois
- Indiana
- Kentucky
- Maine
- Maryland
- Massachusetts
- New Hampshire
- New Jersey
- New York
- North Carolina
- Ohio
- Rhode Island
- Virginia
- West Virginia

If you plan to travel the Pennsylvania Turnpike, you might want to pick E-ZPass to electronically pay for tolls along the way, saving up to 60 percent.

Otherwise, be prepared for a camera to take a picture of your license plate and get a bill for a higher rate.
