Miscellaneous Applications

Miscellaneous Applications

Identification

Several smaller applications require standards, including name tags and personal identification cards.

employee name tag

student/staff ID

visitor badge

Vehicle Identification

The primary logo should be used on the door of a white University vehicle. A blue, gray, or silver vehicle with the reverse version of the logo would also be acceptable.

vehicle identification

College Flags

Cabrini College College flags should be made of white fabric, with PMS 281, and/or PMS 422 for screen printing. Another option is to have the flags embroidered in colored fabric that matches the prescribed PMS colors.

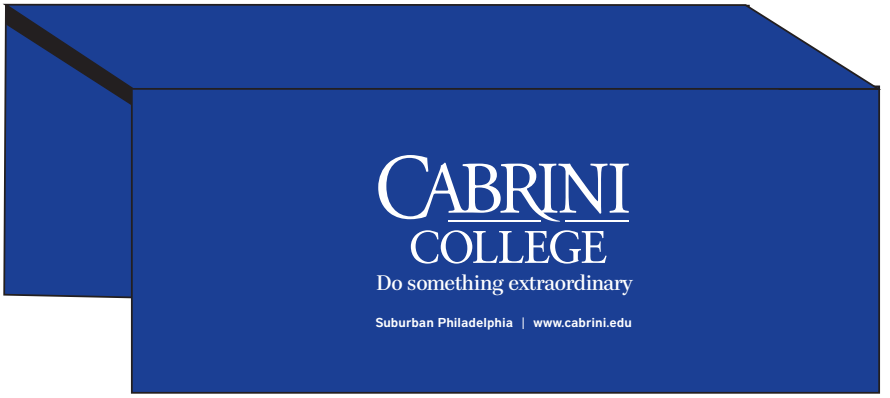
all-purpose flags

ceremonial flags

Display Tablecloth

Often, a prospective student's first experience with an institution's identity occurs at a college fair. To maintain consistency, Cabrini College should use the complete format of the logo, printed in the specified PMS colors.

tablecloth



Banners

Cabrini College banners should be made of white fabric, with PMS 481 for screen printing. Another option is to have the banners embroidered in colored fabric that matches the prescribed PMS colors.
