

## TEACH Grant

The Teacher Education Assistance for College and Higher Education (TEACH) Grant program provides grants up to \$4,000 per academic year to students.

- TEACH Grant recipients must agree to teach for four years at a low-income school or educational service agency.
- The TEACH Grant Request must be signed annually to receive a TEACH grant.
- In addition to the Agreement to serve, students will be required to complete a TEACH Grant Entrance Counseling Session annually, before any fund will be disbursed.

Awards are based on enrollment status and will be subject to the terms of the Budget Control Act of 2011, which reduces awards by 6.9%.

The terms and conditions of this service obligation are explained in the TEACH Agreement to Serve, available at <https://studentaid.gov/app/launchTeach.action>.

**IMPORTANT:** if you do not complete your service obligation, all TEACH Grant funds you received will be converted to a Direct Unsubsidized Loan. Upon this conversion you must repay this loan with interest charged from the date of disbursement.

### Enrollment Categories:

- Full-Time: 9 or more credits
- Half-Time: 4.5 to 8 credits
- Less Than Half-Time: fewer than 4 credits
