

## MISSION OF CABRINI COLLEGE

Cabrini College, located in suburban Philadelphia, is a Catholic, coeducational, residential, undergraduate college which strives to be a leader in community service. Linking theory to practice, the College offers programs of study in the liberal arts and professional studies. In providing for the educational needs of the area, the College has a strong commitment to commuter, graduate, and adult students. Rooted in the heritage of Saint Frances Xavier Cabrini, the College is a vital part of the international educational ministry of the Missionary Sisters of the Sacred Heart.

In its commitment to educate students of different backgrounds and abilities to lead and serve in a changing and culturally diverse world, the College believes in an educational philosophy which prepares students for careers, and enables them to live lives of dignity and purpose. In all its academic and co-curricular programs, the College assists students in actualizing their potential, personally and professionally, so that they may better understand themselves, be more sensitive to the needs of a global community, and contribute competently to society.

As a Catholic Cabrinian institution, with a distinct emphasis on teaching and learning, the College:

- functions as an open community of learners in which students develop a personal set of values as they engage in community service in pursuit of the common good, and as they address moral and ethical questions, including those that bear on religious foundations, and ultimate issues;
- seeks to instill in its students the value of learning by doing and the capacity for lifelong learning;
- offers programs, cooperative education and internship opportunities, to develop the skills and knowledge needed for the world of work;
- offers academic programs and services designed to meet the unique needs of adult and graduate students;
- values its small size which fosters involvement in the life of the campus, close interaction among faculty, staff, and students, and encourages students to live and work collaboratively; and,
- offers students leadership opportunities in the classroom, residential life, athletics, organizations, campus ministry, and other co-curricular activities.
