CAREER AND PROFESSIONAL DEVELOPMENT

Career Connections at your Fingertips!

SCHEDULE A VISIT WITH A CAREER SERVICES SPECIALIST

[Make an appointment here!](#)

Cabrini's Career Services Specialists can help you navigate online job fairs, practice video interviews, search for jobs & internships, explore majors, and perfect your resume! Our Specialists can meet with you on Blackboard Collaborate, phone, or Microsoft Teams.

SUMMER INTERNSHIP DEADLINE

Internships are an excellent way to apply skills from the classroom and make your resume more marketable to employers.

For majors required to obtain academic credit through the CCPD, **the Summer 2020 internship deadline is May 20, 2020.**

[Please review the internship requirements here!](#)

Submit paperwork to Erin Gabriele, Director of the CCPD at eg574@cabrini.edu.

[If you have questions, make an appointment here!](#)

CAREER & PROFESSIONAL DEVELOPMENT RESOURCES

The CCPD offers career and professional development resources through Handshake.

[Check out our resources site](#) for major specific samples resumes, virtual workshops, LinkedIn pointers, interview tips, job search guides and much more!

PRACTICE VIRTUAL INTERVIEWING

Take advantage of Interview Stream, a resource that allows you to practice interviews without the pressure of someone watching. Hook up your webcam, choose your own interview questions, and practice until you feel confident in your interviewing skills.

You can even forward an interview to someone for review and feedback.

[Create a free account on Interview Stream today!](#)

FOUR-STAGE CAREER EXPLORATION

Following the four-stage career exploration model will help you connect your educational experiences with your future goals.

[First Year - Realize your potential](#)

[Sophomore Year - Realize your possibilities](#)

[Junior Year - Realize your performance](#)

[Senior Year - Realize your future](#)

Check out these links for advice on how to align your experience with your career goals during each academic year!

PRACTICE CAREER READINESS

Employers are focusing on Career Readiness now more than ever.

[Learn more about the core competencies:](#)

critical thinking, communication, teamwork, digital technology, leadership, professionalism, career management and intercultural fluency. Think about ways you are practicing these skills through school, work, or volunteer experiences and be sure to highlight them on your resume! Reach out to a Career Services Specialist for more guidance on any of these topics.
