

CABRINI

HONOR ROLL OF DONORS 2014-15

LETTER FROM THE PRESIDENT

Dear Cabrini College Community,

Cabrini College is on the move, thanks to the ceaseless generosity of our alumni, friends, faculty, students, and parents.

During the 2014-15 fiscal year—beginning July 1, 2014, and ending June 30, 2015—Cabrini created new academic majors and non-degree programming, received Middle States approval for our first-ever doctoral programs, increased K-12 and 4+1 higher education partnerships to create efficient educational pathways for our students, and expanded our outreach to minority and international students.

In addition, the College announced the construction of a \$12 million, nearly 40,000-square-foot Athletic & Recreation Pavilion at the Dixon Center, which will not only serve our student-athletes, but our entire student body through health and wellness programming, equipment, and social space.

All of this would not have been possible without gifts from our Cabrini Community.

It's through your support that Cabrini is able to progress, to nurture students' dreams and ambitions, and to challenge them to become leaders and engaged citizens of the world.

You help Cabrini continue to provide a quality liberal arts educational experience that is infused with our unique *Education of the Heart*.

The enormity of your connection to this place empowers Cabrini's future. Through your gifts, you've demonstrated that you believe in Cabrini's powerful impact on each of us, on our communities, and on the world. For that, I am grateful.

Thank you.

In the spirit of gratitude,

Donald B. Taylor, PhD
President

*This report reflects financial information and gifts from the 2015 fiscal year.
The fiscal year runs from July 1, 2014, through June 30, 2015.*

1957 LEGACY SOCIETY

The 1957 Legacy Society was established to recognize and thank alumni, parents, faculty, and friends of Cabrini who have made a bequest or a planned gift to the College.

These members, by including Cabrini College as beneficiaries in their wills, insurance policies, or retirement accounts, are helping to provide for upcoming generations of students and scholars.
