

CABRINI

HONOR ROLL OF DONORS

2015-16

LETTER FROM THE PRESIDENT

Dear Cabrini Community,

Cabrini is an institution built upon rich traditions of providing students with an *Education of the Heart*—dedicated to academic excellence, leadership development, and a commitment to social justice—and instilling in them our core values of respect, vision, community, and commitment to excellence.

This proud history and core philosophy serve as Cabrini’s foundation, but it is thanks to you, our community, that this institution thrives. Students, alumni, parents, and friends—you are the catalysts for Cabrini’s bright future.

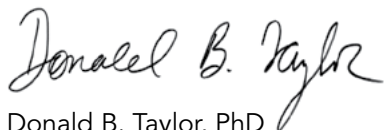

Because of your enthusiasm, engagement, and support, Cabrini has grown to new heights, attained new levels of academic achievement, and set forth on a path to serve more—in the community and around the globe—than ever before.

In the 2015–16 fiscal year—beginning July 1, 2015, and ending June 30, 2016—Cabrini welcomed the inaugural cohorts of our first doctoral programs and expanded our academic offerings for undergraduates and adult learners. Our student body became more diverse than ever, as we embraced students from more countries and backgrounds than ever before. Our inaugural Cabrini Visionaries Gala was such a success that it has been established as an annual tradition, one that allows us to celebrate the men and women who embody the true spirit of Cabrini and to renew our enthusiasm and support for all that makes Cabrini great. And, in recognition of our efforts to grow academically, expand the student experience, and diversify our student body, we received approval from the Pennsylvania Department of Education to become Cabrini University!

All that we’ve accomplished, all that Cabrini has achieved, is the direct result of you, our supportive community. Your generosity serves as the bedrock upon which our institution builds, and we are forever grateful to you for providing the support we need to climb ever higher.

As we endeavor to *Live with Purpose*, as we continue on the Cabrini 2020 Roadmap to Growth, we expand upon the core philosophies that made us who we are. We remain committed to furthering Cabrini’s mission of social justice and academic excellence. We remain committed to providing a supportive community so that all who are willing may be touched by the *Education of the Heart* provided here at Cabrini. And we remain committed to serving you, our community, and to matching your boundless energy and enthusiasm and philanthropy, which strengthens Cabrini and continues our forward momentum.

With gratitude,

Donald B. Taylor, PhD
President

*This report reflects financial information and gifts from the 2016 fiscal year.
The fiscal year runs from July 1, 2015, through June 30, 2016.*
