True

False

When I receive a crime report I should:

File it in a folder to submit at the end of the school year.

Report it right away.

Direct the student to Public Safety.

As a campus security authority, I only have to report crimes that involve students or staff.

True

False

If I am not sure whether a crime reported to me fell within Clery-specific geography I should:

Look at a campus map for clarification.

Ask a colleague within my department.

Report it anyway so the institution can make that determination.
