1. Cabrini University

Statement of Catholic Identity

Inspired by Saint Frances Xavier Cabrini, we, the University community, participate in her enduring legacy to make the love of Jesus visible in the world. This legacy serves as the foundation of our Catholic identity and our mission, the Education of the Heart.

As a Roman Catholic university, we live this legacy together in the shared pursuit of truth, goodness, and beauty. In this effort we join together many traditions, backgrounds, and beliefs. In doing so, the University affirms God’s love for all, God’s gifts in all, and God’s call to serve all.

Our Catholic identity calls us to:

Faith
• invite all members of the community to share and develop their beliefs and faith traditions
• reflect with purpose, pray with passion, and seek wisdom in sacred texts
• celebrate liturgy and the sacramental life in times of joy and sorrow

Reason
• pursue a Cabrinian liberal arts education rooted in the Catholic Intellectual Tradition
• foster an academic environment that promotes spiritual, intellectual, and ethical transformation
• support scholarship to advance the common good

Justice
• act in solidarity with people who are poor, oppressed, and marginalized
• cultivate servant leadership that respects and upholds the dignity of the human person
• advocate for social justice, guided by Catholic Social Teaching

Cabrini University is a vital and distinctive mission of the international network of the Missionary Sisters of the Sacred Heart of Jesus and the Roman Catholic Church.

Adopted by the Board of Trustees, February 1, 2019

Our Cabrinian Heritage

Saint Frances Xavier Cabrini—Our Namesake

Cabrini University is based on the spiritual legacy of Saint Frances Xavier Cabrini, who was born in Sant’ Angelo Lodi, Italy in 1850. At the age of 30, she founded a new religious community in the Catholic Church, based on her devotion to the Sacred Heart of Jesus.

In 1899, Pope Leo XIII asked Mother Cabrini to go to the United States to help the Italian immigrants. Mother Cabrini and her sisters developed schools, hospitals and social service agencies in New Jersey, New York, Pennsylvania, Louisiana, Mississippi, Illinois, Colorado, Washington, and California. She did not confine herself to the United States, but led her congregation to work throughout the world. In 1917, Mother Cabrini died. In 1946, she was canonized a saint, and in 1950, she was given the title of “Patroness of Immigrants.”
Missionary Sisters of the Sacred Heart of Jesus—Our Religious Sponsors

As the religious sponsors of Cabrini University, the Missionary Sisters of the Sacred Heart of Jesus (MSC) carry on the apostolic work of Saint Frances Xavier Cabrini today. The congregation is global in its mission and outreach with a presence on six continents and 15 countries of the world and a worldwide network of educational, healthcare, spiritual and social service ministries. Cabrini University, a part of the Stella Maris Province, is the only University sponsored by the Missionary Sisters.

Sister Ursula Infante, MSC—Foundress of Cabrini University

The foundress of Cabrini University was Sister Ursula Infante, MSC. She established the University in 1957 as a women’s college. However, in the 1970s, the University became coeducational. Building on the educational pedagogy of Saint Frances Cabrini, Sister Ursula stressed the importance of providing an “Education of the Heart,” which nurtures the intellectual and affective dimensions of the students.

Mission of Cabrini University: Education of the Heart

Cabrini University is a Catholic institution of higher education dedicated to academic excellence, leadership development and a commitment to social justice. The University welcomes learners of all faiths, cultures, and backgrounds and prepares them to become engaged citizens of the world.

—Approved by the Board of Trustees, February 2010

Charter of Core Values

Our core values emanate from the life of Saint Frances Xavier Cabrini, the charism of the Missionary Sisters of the Sacred Heart and the Catholic intellectual tradition. In response to Frances Cabrini’s desire to provide an “education of the heart”—a Catholic, Cabrinian education, centered in Christ and ever mindful of the dignity and contribution of each person—the members of this University community, through a collective process, have enunciated these values which exist as a standard for our activities and as a hallmark for all future development. Education of the Heart is achieved through the core values of:

Respect
We strive for a reverence of self and others manifested in trust and appreciation. Respect calls for care and compassion in regard to:

- diversity
- our environment
- social justice
- civility in resolving conflict

The University strives to promote the integrity of each person, thus serving the vital and vibrant good of all.

Vision
Inspired by the indomitable spirit of Saint Frances Xavier Cabrini, we strive to promote and foster innovation and creativity. Vision calls for:

- a spiritually-based outlook when seeking solutions
- courage
- a proactive stewardship of all present and future resources

We accept the challenge to live our lives according to the Cabrinian vision and values.

Community
We strive to strengthen community by uniting diverse individuals and their aspirations in shared endeavor. Community calls for:

- common mission
- ethical responsibility
- a sense of belonging
- dialogue in decision making
- enthusiasm for the enterprise
- participation in the celebration of our values and traditions
The Cabrini University community seeks to extend hospitality to all and to create unity while nurturing individual gifts and talents.

**Dedication to Excellence**

To maximize the potential of the individual and community we strive for the education of the whole person—intellectual, emotional, physical, and spiritual. Dedication to Excellence calls for:

- positive attitude
- commitment to lifelong learning
- personal and professional growth
- pride in accomplishment
- fulfillment of common goals

At the heart of our dedication to excellence is the desire to be our best in the service of our students and all others. Because we are an institution of process and constant development, what we are must always progress toward what we ought to be. It is our hope that in our constant effort to evaluate our growth, that we aim for a point of coincidence in which the values that determine what we are become one with what we ought to be.

Erin Gabriele, Director 610.902.8304  eg574@cabrini.edu

The Center for Career and Professional Development (CCPD) offers career counseling and professional development to all University students and alumni. The CCPD promotes a holistic approach to professional and personal career development to prepare graduates for their first destination whether it be obtaining major related employment and/or acceptance to graduate/professional schools of choice.

Individual career counseling helps students focus on interests, skills, values, and experiences as they relate to career decision-making. Through innovative workshops and classroom presentations, resume and cover letter writing, interview techniques and job search skills are enhanced. Both on and off-campus recruiting programs afford students and alumni the opportunity to interview with professionals from a vast array of businesses, industries and non-profit organizations. Students and alumni seeking internship or employment opportunities can engage with professional recruiters at area career fairs and networking events hosted by Cabrini University.

The internship program is an academic course melding professional work experience with classroom objectives and theoretical principles. Students earn academic credit based on the number of hours worked. A one-credit Career Exploration and Planning course (COL 125) is offered each semester, enabling students to learn more about their values, skills, interests and career options.

Handshake, a new student and employer career portal, is a robust online resource for all students' career development needs. Students can schedule appointments, upload resumes, register for career events, search for and apply to open positions, research employers, and connect with a growing network of Cabrini peers and alumni. Handshake, and other online career resources can be accessed by visiting [www.cabrini.edu/career](http://www.cabrini.edu/career).

11. Community Standards for Student Conduct (Code of Conduct)

Dr. Stephen Rupprecht 610.902.8416 deanofstudents@cabrini.edu

https://www.cabrini.edu/about/departments/student-life/handbook-and-code-of-conduct

Students at Cabrini University must comply with the regulations promulgated in the current editions of the Cabrini University Catalog, Student Handbook, Community Standards for Student Conduct, and other official documents, policies or regulations published by the University as a condition for successful completion of the program of studies at the University.

The basic philosophy of student discipline at Cabrini University is one of education. Throughout the disciplinary process, the University attempts to teach moral and ethical values and in doing so maintain the orderly operation of the University. By encouraging individual responsibility and by fostering a respect for the rights of others, the disciplinary process is intended to result in the protection of the rights of members of the University community and the redirection of a student’s behavior into patterns consistent with community standards.

Any Student who commits, aids, or attempts to commit any violation of the Community Standards towards any member of the University community or any other person on University premises or at any University sponsored or supervised events will be subject to disciplinary proceedings.

Purpose of Cabrini’s Community Standards

1. Community Standards help motivate good behavior, enhance respect for individual differences, and emphasize a commitment to the common good.
2. Community Standards represent limits and describe examples of behaviors that are unacceptable conduct of students at Cabrini College.

3. Community Standards assist students in learning how to assume public responsibilities beyond the campus and in society.

Responsibilities
As members of the Cabrini University community, students and student organizations are responsible for reading and ensuring that they understand the policies in this Community Standards document, as well as policies outlined in the Student Handbook and University Catalog, and for behaving in ways that are consistent with the policies contained in each.

Students who are in a situation in which these standards are being violated are expected to make a reasonable, positive effort to remove themselves from the environment. In addition to their personal responsibility for these standards, Students are also accountable for the behavior of their guests and ensuring that the guests comply with the community standards and University policies.

Members of student organizations are expected to conduct themselves in accordance with the Community Standards.

If a student organization engages in an alleged act of misconduct, the University may initiate disciplinary proceedings against the organization, as well as against Students involved who are members of the organization.

An organization and its members and/or guests may be subject to all of the approved sanctions including loss of University recognition for a specified period of time.

Students may also be considered in violation of the community standards for actions occurring off campus. In cases for which local, commonwealth or federal law may apply, Students may be subject to civil or criminal liability. In certain cases in which the University’s interests as an academic community are affected, University disciplinary proceedings may be initiated against a Student charged with a violation of a law that is also a violation of the community standards. Thus, both institutional violations and civil or criminal charges may result from the same situation. University proceedings may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus.

15. Disability Resource Center (DRC)

Accommodations and support services for self-identified students with documented disabilities, www.cabrini.edu/disability

Kathleen M. Johnson, Director 610.902.8572 drc@cabrini.edu
Founder’s Hall, Room 86

Cabrini University is committed to providing equal opportunities in higher education to academically qualified students with disabilities. The University welcomes the participation of all qualified students with disabilities in its programs, services, and activities. The Disability Resource Center’s mission is to create an accessible environment where individuals are viewed on the basis of ability, not disability. Support services and appropriate accommodations are available for students with identified and documented physical disabilities, psychological disabilities, learning disabilities, and attention deficit/hyperactivity disorder.

Cabrini University offers the choice of 2 levels of disability support services – services included with tuition and Access Plus fee for service program. Please refer to the DRC website for more information www.cabrini.edu/DRC

The Disability Resource Center provides individualized academic support. Classroom and program accommodations such as extended test time, recording lectures, reduced course loads and course substitutions are arranged when appropriate. It is the student’s responsibility to contact the director to request services and accommodations.

Disclosure of a disability is voluntary and does not adversely impact admission decisions. The Disability Resource Center Director maintains all information regarding a student’s disability on a confidential basis. To be eligible for support services, a student must provide a copy of a current, relevant, and comprehensive evaluation performed by a qualified professional. The evaluation must verify the stated disability and the need for accommodation. Students with disabilities who require accommodations and services should contact the Disability Resource Center Director as early as possible.

The grievance procedure for students with disabilities can be found in the Cabrini University Catalog at www.cabrini.edu/Catalog.

18. Hazing Prevention Policy

**Introduction**

Cabrini University seeks to foster a safe and healthy environment built on mutual respect and trust. At the very basis of the University’s mission is the recognition of the essential dignity and worth of each member of the University community. Hazing is a serious violation of these principles. As such, Cabrini University will not tolerate hazing activities by any individuals, groups, teams, or registered/unregistered student organizations. The University encourages all members of its community to be aware of the serious nature of hazing and challenges its members to work together to prevent its occurrence.

**Definitions**

A. Pennsylvania state definition of hazing (Commonwealth of Pennsylvania, Act 175 of 1986)

1. Hazing is any action or situation which recklessly or intentionally endangers the mental or physical health of a student or willfully destroys or removes public or private property for the purpose of initiation or admission into or affiliation with, or as a condition for continued membership in any organization operating under the sanction of, or recognized as an organization by, an institution of higher education.

2. The term shall include but not be limited to any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug, or other substance, or other forced physical activity which could adversely affect the physical health and safety of the individual and shall include any activity which would subject the individual to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual, or any willful destruction or removal of public or private property.

3. For the purposes of this definition, any activity as described in this definition upon which the initiation or admission into or affiliation with or continued membership in an organization is directly or indirectly conditioned shall be presumed to be ‘forced’ activity, the willingness of an individual to participate in such activity notwithstanding.

B. Cabrini University definition of hazing:
Hazing is absolutely prohibited. The term “hazing” means any action or situation which recklessly or intentionally endangers the mental or physical health or safety of an individual or that willfully destroys or removes public or private property for the purpose of initiation or admission into or affiliation with, or as a condition for continued membership in, any organization operating under the sanction of or recognized as an organization by the University.

C. “Individual” refers to Cabrini’s faculty, staff, students, volunteers, coaches, organizations, groups, teams, alumni, and visitors.

D. An “organization” is defined as persons enrolled as students at the University who are associated with each other and have completed the process of being a recognized student organization with the Center for Student Engagement and Leadership or are not a recognized student organization or are not required to register as a student organization including, but not limited to varsity athletic teams, administrative offices, academic departments, musical or theatre groups through a department, etc.

E. For the purposes of this policy, appropriate University Officials for reporting hazing are as follows:
   - Primary: Public Safety
   - Secondary: Office of Student Life, Dean of Students, Athletics and Recreation, Student Engagement and Leadership
   - Allegations regarding faculty/staff: Human Resources

**Hazing Policy**

Hazing in any form is prohibited. This regulation applies to all members of the University community. This regulation applies to behavior that occurs on or off Cabrini University property. The implied or expressed consent of a student to hazing is not a defense under this policy.

The term shall include, but not be limited to, any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug, or other substance, or any other forced physical activity that could adversely affect the physical health and safety of the individual, and shall include any activity that would subject the individual to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct that could result in extreme embarrassment, or any other forced activity that could adversely affect the mental health and safety of the individual, or a willful destruction or removal of public or private property.

For the purpose of the Community Standards, any activity as described in this definition upon which the initiation or admission into or affiliation with or continued membership in an organization is directly or indirectly conditioned shall be presumed to be “forced” activity, the willingness of an individual to participate in such activity notwithstanding.

In the case of individuals, sanctions may range from fines, probation, suspension, or expulsion. In the case of organizations, sanctions may range from fines, probation, or suspension of recognition to withdrawal of recognition status. The prohibition against hazing applies to acts conducted on or off campus whenever such acts are deemed by the University to constitute hazing.

This list is not intended to be inclusive of all activities that could be considered hazing.

A. Retaliating in any manner against any individual who reports hazing or who participates in an investigation of a hazing report is prohibited and will be referred to the Dean of Students and the University’s Chief Compliance Officer.

B. Making an intentionally false accusation of hazing through the University’s procedures is prohibited.

C. Responsibility for any violations of this regulation may be attributed to the perpetrators, the student organization or team, its members, and/or its officers.
D. Any organization or group may be found responsible for any violations of this regulation upon satisfactory proof that the organization or group did not discourage or did not take reasonable steps to prevent hazing by its members or affiliates.

E. In addition to this policy, NCAA student athletes shall follow the policies and guidelines set forth by the Athletic Department, NCAA, and the Atlantic East Athletic Conference.

F. In addition to this policy, all recognized student organizations shall follow the policies and guidelines set forth by the Center for Student Engagement and Leadership.

Rights of those who report

A. Individuals who are victims of hazing and who truthfully report the activities to Cabrini University Public Safety and/or an appropriate University Official will not be individually charged with a violation of this regulation.

B. Individuals who have knowledge of a hazing incident but did not participate and truthfully report the activities that occurred will not be individually charged with a violation of this regulation in relation to that particular incident.

C. An organization or group that seeks assistance in preventing hazing from occurring within the organization, even if past behaviors have included hazing, may not be charged with a violation of this regulation. Any organization that self-reports a hazing behavior to appropriate University officials or the Cabrini University police prior to incident being reported will be given the opportunity to change those behaviors without immediate threat of being charged with a violation of this policy at the sole discretion of the Dean of Students. If evidence is presented thereafter that hazing behaviors have continued within the organization or group, that organization or group may be held responsible for current and past behaviors.

D. An organization or group that self-reports must identify those individuals responsible for the hazing behaviors to be held individually responsible through the appropriate conduct process.

E. Any University Official or employee who receives a report of hazing must communicate that report to Cabrini University Public Safety and/or the Dean of Students as soon as possible.

An individual shall not be subject to the Cabrini University Community Standards for Student Conduct for an alleged violation of the Student Code of Conduct if the facts of the case reveal all of the following:

1. A law enforcement officer first became aware of the individual's violation of this chapter because the individual placed a 911 call or contacted campus security, police or emergency services, based on a reasonable belief that another individual was in need of immediate medical attention to prevent death or serious bodily injury.

2. The individual reasonably believed the individual was the first individual to make a 911 call or contact campus security, police or emergency services and report that an individual needed immediate medical attention to prevent death or serious bodily injury.

3. The individual provided the individual's own name to the 911 operator or equivalent campus security officer, police or emergency services personnel.

4. The individual remained with the individual needing medical assistance until a campus security officer, police or emergency services personnel arrived and the need for the individual's presence had ended.

Similarly, an individual needing medical attention shall not be subject to the Cabrini University Community Standards for Student Conduct for an alleged violation of the Student Code of Conduct if another individual against whom probable cause exists to charge a violation of the Student Code of Conduct reported the incident and remained with the individual needing medical attention and the other individual qualifies for a safe harbor under this section.

The safe harbors described under this section shall be limited as follows:

1. This section may not prohibit the initiation of student conduct proceedings if the University learns of the alleged violation prior to and independent of the action of seeking or obtaining emergency assistance as described above.

2. This section shall not interfere with or prevent the investigation, charging or adjudication of an individual for a student conduct violation other than a violation under this section.

3. This section shall not bar the admissibility of evidence in connection with the investigation and adjudication for a student conduct violation other than a violation under this section.

4. This section shall not bar the admissibility of evidence in connection with the investigation and adjudication of a student conduct violation with regard to another respondent who does not independently qualify for a safe harbor under this section.

Health Services is in Founders Hall, Room 98. Hours are Monday – Friday, 8:30am to 4pm. Walk-in service is provided by a
registered nurse. Appointments are available to visit the University physician. Health Services supports the needs of our
diverse student body by providing individualized holistic care and campus-wide education. Students experiencing true
emergencies and/or severe medical issues should be evaluated and treated at a local hospital (e.g., Bryn Mawr, Paoli or
Lankenau).

Services offered: urgent and routine care, allergy injections, first aid treatment, flu vaccine clinics, health and wellness
promotion, referral services, simple diagnostic screenings, sexually transmitted infection (STI) screenings, travel health
consultations, and well visits. Students have the right to expect that all aspects of care will be treated as confidential. Unless
permitted by law, information is not shared with parents or family medical providers without the explicit permission of the
student. In the case of threat to life of self or others, information will be shared with persons listed as emergency contacts as
well as with relevant University officials.

Visits to Health Services are free of charge. Lab specimens are sent to Quest Diagnostics or LabCorp and are billed by the
lab to the student's health insurance. Please be aware of your individual insurance coverage policy. A nominal fee is
charged for simple diagnostic tests and most medications dispensed at the Health Services.

Cabrini University requires all students to be adequately immunized against hepatitis B, measles, mumps, rubella, meningitis
and varicella according to Pennsylvania state requirements. Unvaccinated students must complete a waiver form. Students are responsible for completing their health forms prior to campus arrival. All students are expected to be covered by a personal health insurance plan.

20. Holy Spirit Library

The Library staff invites students to use its facilities, resources, and services, and gladly provides assistance with research needs. Computers are available for researching the Library’s electronic resources, the internet, and for using Microsoft Office applications.

The Library provides wireless access to the campus network and desktop computers are available for accessing the Library’s digital resources, the internet, and Microsoft Office applications. Laptops are available for in house use and iPads and Microsoft Surface tablets may be checked out for one week with one renewal. Library materials can be located by using the online catalog—Cavalog—at www.cabrini.edu/Library. There you will also find links to digital resources. Remote access to the Library’s digital resources require a current Cabrini user ID and domain password.

Supplemental course materials placed on reserve by instructors are available at the Reserve Desk. Reference books and periodicals are for library use only. Black and white printers, color printer, scanners and fax are available for student use.

Circulation

During the regular academic year, most materials circulate for three weeks. Media materials (e.g. DVDs) circulate for one week. Reference items and periodicals cannot be checked out.

InterLibrary Loan

Through a worldwide network of libraries, Cabrini offers inter-library loan services for students in need of materials not held by the Library. Please allow sufficient time for processing the request. A fee may be charged. Students are responsible for any overdue fines or replacement costs for lost or damaged items.

Fines

The fine for overdue items from the regular Circulating Collection is ten cents per item each day. Overdue media and Newbery and Caldecott books accrue a fine of $1 per day for each item. Reserve materials accrue a fine of $10 per day. Tablets accrue a fine of $10 per day and tablet peripherals a fine of $1 each per day. If a tablet is not returned within three days of the due date and any fines reconciled, a block is placed on the student’s account.

Fines of $20 or more will prohibit students from borrowing additional library materials and will prohibit students from registering for classes or requesting transcripts.

Lost or Damaged Material Policy

A librarian will assess damaged materials on a case-by-case basis to determine if items must be replaced. Students are responsible for fines, replacement, and processing costs for lost and damaged items.

Other Libraries

Cabrini’s memberships in the SouthEastern Pennsylvania Consortium for Higher Education (SEPCHE) and the Tri-State
College Library Cooperative (TCLC) allow students to use more than 40 neighboring college and university libraries in Pennsylvania, New Jersey, and Delaware. A listing of these libraries is available from the Library's homepage.

SEPCHE member libraries offer direct borrowing privileges to the students of all eight SEPCHE institutions: Arcadia University, Cabrini University, Chestnut Hill College, Gwynedd-Mercy University, Holy Family University, Immaculata University, Neumann University, and Rosemont College. The SEPCHE collaboration makes available nearly a million volumes, scores of electronic databases, and several special collections on various subjects. Library hours at SEPCHE schools vary, but librarians are available to assist.

Students with a valid Cabrini University ID may borrow materials directly from all SEPCHE libraries, and from two TCLC libraries: Eastern University and Valley Forge Military Academy and College. A letter of introduction from a library staff member is needed for borrowing from other TCLC libraries.

Information Technology and Resources Policies

Cabrini University Communications Systems User Policy
(Includes email, internet, and other electronic systems)
The email system is the property of Cabrini University and subject to acceptable use compliance. The operation of these systems relies upon the proper conduct of University users, who must adhere to Acceptable Use guidelines.

The use of the University’s electronic communications systems is a privilege, not a right. The University reserves the right to deny or cancel communications systems at any time.

All users are expected to use these systems in an appropriate and ethical manner. Appropriate use includes use for official instructional, educational, professionally-related business and research purposes consistent with the University’s mission and values.

These policies and guidelines outline the responsibilities inherent in authorized access, requiring efficient, ethical and legal utilization of system resources.

**Acceptable Use Policies**

The following are considered violations of Acceptable Use Policies and are prohibited:

1. Engaging in conduct that obstructs or disrupts institutional activities or the individual pursuit of learning, including, but not limited to:
   a. Vandalism, defined as any attempt to harm or destroy systems and/or other data contained therein. This includes, but is not limited to, the uploading or creation of computer viruses and inflicting damage or sabotage on the system.
   b. Reading/listening to or attempting to read/listen to another user’s electronic messages without authorization.
   c. Degrading system performance.
   d. Unauthorized or inappropriate use of an account or electronic file or data.
   e. Threat, harassment (including, but not limited to, sexual harassment), or libel toward any student, employee, or guest.
   f. Sending sexually oriented email messages or sending or receiving sexually oriented images or file transfers other than those with legitimate academic purpose.

2. Using the University’s electronic systems to conduct any activity not related to the University’s operation, including, but not limited to, advertising, soliciting, political lobbying, personal, other business, games, shareware, personal email messages, and screen savers.

3. Involvement in the violation of, or conviction for violation of, federal, state or local statutes or regulations regarding computers, electronic communications, interstate commerce and/or security regulations. This includes, but is not limited to, material protected by copyright, trade secret, obscenity and related laws.

Violations of Acceptable Use Policies may result in the cancellation of the user’s account and electronic communications privileges and other disciplinary action up to and including termination of employment (as explained in the Personnel Policies Manual) or expulsion (as explained in Community Standards for Student Conduct).

**Additonal ITR Policies**

Other ITR Policies can be found on the ITR website by visiting [https://www.cabrini.edu/about/departments/policies](https://www.cabrini.edu/about/departments/policies)
**Frequently Asked ITR Questions**

**Q: How do I retrieve my Cabrini accounts including my @cabrini.edu email account?**

A: After being confirmed as enrolled at Cabrini or added to University Human Resource records, an account will be set up for you. The Cabrini Enrollment or Admissions team will mail or email your Cabrini user ID and email information to you. If you have your university ID number, you may also call the 24/7 Help Desk and request your user ID and a password reset.

**Q: To what email address should people send email in order to reach my Cabrini inbox?**

A: You may receive mail addressed as either your User ID (abc123@cabrini.edu), as your official email address (firstname.middleinitial.lastname@cabrini.edu). Both of these email addresses will go to the same Cabrini email inbox.

**Q: Why does the University require the use of the official email address?**

A: Assigning everyone a permanent email makes it possible for faculty, staff and other students to create reliable address book entries and mailing lists. For example, once a professor creates a course mailing list using the students’ official email addresses, that list can be used throughout the term.

The ability to send mail to students will not be disrupted by any changes students might make in their Internet Service Provider or the address to which they forward their mail.

**Q: Can I forward my Cabrini email? How?**

A: Yes. Instructions for forwarding your email can be found here: [https://support.office.com/en-us/article/forward-email-from-office-365-to-another-email-account-1ed4ee1e-74f8-4f53-a174-86b748ff6a0e](https://support.office.com/en-us/article/forward-email-from-office-365-to-another-email-account-1ed4ee1e-74f8-4f53-a174-86b748ff6a0e)

**Q: What if I do not have a computer or I am a commuter?**

A: If you do not have a computer and live on or off campus you are still required to have a Cabrini domain and email account. Computer access for receiving your accounts and checking your email is available on-campus in the computer labs, in the numerous classrooms across campus that are equipped with computers, and in the Holy Spirit Library.

Groups seeking approval for fundraising activities must complete a “Fundraiser Request” form and submit it to SEaL a minimum of two weeks before the fundraising activity is scheduled to begin. Any fundraiser that will occur during an athletic game must be approved by the Athletics Department.

All posters and signs used to promote fundraising projects must be approved by SEaL and promptly removed after the event. Approval for fundraising activities will not be granted to student organizations who:

- are not officially registered with the University
- serve or support partisan political purposes and/or activities
- limit participation on the basis of race, national origin, age, gender, sexual orientation, or disability
- conflict with the University’s mission, core values, or Catholic character

Each full-time resident is assigned a key/combination mailbox outside the mailroom and their incoming mail can be picked up at their convenience. Outgoing mail may also be placed in the mail drop box on the ground floor of the Widener Center transient hallway. When a student receives a package or a piece of mail too large to fit in their mailbox, a notification email will be sent to the student. When picking up packages proper identification is required.

- The mailroom hours:
  - Mondays: 9:30am–3:45pm
  - Tuesdays: 11am–3:45pm
  - Wednesdays–Fridays: 9:30am–3:45pm

25. Marketing and Communications

Mansion, Third Floor

The Marketing and Communications Department is responsible for all institutional advertising, branding and design standards, media outreach, and marketing materials including the Cabrini Magazine, institutional website, and social media channels.

Student groups seeking media outreach and marketing help should contact their assigned marketing and communications liaison at least four weeks before the event date.

Students should note that all contact with news media is initiated through Marketing and Communications.

Cabrini Logo
The official logo is an identifying symbol of Cabrini and should be used on official Cabrini materials. Use of the logo must be cleared through the Marketing and Communications department.

26. Medical Amnesty Policy

The health and safety of students is the primary concern for Cabrini University. The University also supports an environment that encourages students to come to the assistance of one another.

To help foster this environment, certain provisions – known as the Medical Amnesty Policy – have been made to encourage that responsible action is taken when a student is compromised due to consumption of alcohol.

If a student seeks medical attention due to his/her level of intoxication, the University will not pursue disciplinary sanctions against the student for violating the alcohol policy.

In lieu of disciplinary sanctions, the intoxicated student (and possibly the referring student) will be required to meet with
the Dean of Students or her/his designee who may issue educational requirements such as alcohol education, counseling, and/or alcohol and substance abuse assessment.

Failure to complete educational assignments or treatment recommendations issued under this policy will result in disciplinary action.

The Medical Amnesty Policy does not preclude disciplinary sanctions due to any other violations of the Cabrini University Community Standards (not related to the Alcohol Policy).

Likewise, the Medical Amnesty Policy does not prevent action by Radnor Police or other law-enforcement personnel.

Security Cameras on Campus Policy

In consideration of a person’s reasonable expectation of privacy, Cabrini University has security cameras placed in common areas throughout campus including but not limited to hallways, stairwells and lobbies. The primary intent of these cameras is to enhance the safety and security of our campus. The cameras also serve as a deterrence as well as a way to secure evidence that enhances the likelihood of identifying offenders through post-incident investigations of crimes.

Viewing of video surveillance camera footage – either live video footage or recordings – will only be conducted by authorized personnel.

Facts about Security Camera Installation

- Cameras are placed in common areas including but not limited to hallways, stairwells and lobbies
- Cameras are NOT placed in areas where there is an expectation of privacy such as bathrooms or in resident rooms
- All camera access points have been approved by Public Safety

Demonstration Policy

Cabrini University supports the right of students, faculty and staff to freedom of speech, the expression of diverse and divergent points of view and the right to peaceful demonstration. In turn, members of the University community have a corresponding responsibility to promote these freedoms for all, even when the opinions and beliefs of others conflict with their own, and to help maintain a campus environment where members of the Cabrini community can safely pursue their endeavors free from disruption. The following standards are in place to ensure that the appropriate balance between these freedoms and responsibilities is achieved.

Demonstrations: Definitions & Characteristics

For purposes of this policy, “demonstrations” are defined as the presence of one or more persons in a campus location with the intent to express a particular point of view in a manner that attracts attention, including but not limited to protests, rallies, sit-ins, vigils, marches, processions or similar forms of expression. “Peaceful” and “non-disruptive” demonstrations are those conducted in compliance with University policies and procedures, which are not disruptive of academic and educational processes or the normal operations of the University, and do not create conditions which may jeopardize the safety of others and institutional property.

A demonstration is “disruptive” or “unsafe” if it includes any activity or expression that:

- Denies or unreasonably interferes with the rights of other students, faculty or staff of the University, including the rights of others to demonstrate
- Occurs in a way that blocks entrances, exits or passageways from or to any University building or vehicle traffic on or to the campus
- Interferes with the daily business of or scheduled events in campus facilities
- Violates any ordinance or law
- Creates a volume of noise that prevents members of the University community from carrying on their normal activities
- Places the health or safety of any member of the University, visitors and/or invited guests at risk
- Employs force or violence or threatens force or violence against any persons or property
- Occupies rooms or offices without permission
- Occurs outside of the hours of 8:00 a.m. – 10:00 p.m.
- Fails to comply with any other University policy or any other lawful directive, including a directive to cease the event
- Demeans or degrades individuals on the basis of race, ethnicity, religion, gender or sexual orientation, age, physical or mental disability, marital status, veteran status or any other characteristics protected by federal, state or local law.

Sponsors

The right to demonstrate on University property is limited to Cabrini students, faculty, staff and alumni. As Cabrini is a private institution, demonstrations by non-employee associates, subcontractors or individuals/groups unaffiliated with the University may not occur on campus.
Campus demonstrations and/or protests must be sponsored by a recognized University group or organization, or by groups of internal constituents who share a common interest.

**Notifications & Approvals**

Constituents wishing to demonstrate on-campus must notify and receive approval from the senior level administrator appropriate for their group as follows:

- Student groups must notify the Vice President for Student Life or designee
- Faculty groups must notify the Dean of their School or the Provost/VPAA
- Staff and/or administrative groups must notify the Director of Human Resources

Written notification of plans to demonstrate on-campus must be provided to the designated senior administrator a minimum of three business days in advance of the activities taking place, and include the following information:

- An explanation of the reason, cause and purpose of the demonstration,
- The projected number of participants
- Proposed location, start and end times between 8:00 a.m. and 10:00 p.m.
- The name and contact information of the primary coordinator of the event
- If applicable, student groups must include the name and contact information for the group’s faculty or staff advisor and verification that the advisor has been made aware of the group’s intentions

After the designated senior administrator has reviewed the written notification, determined if the time and location are appropriate for the event and taken the steps necessary to ensure adequate safety and campus notifications have been made, s/he will meet with representatives of the group to review the campus demonstration procedures, finalize arrangements and issue final approval.

Under no circumstances will demonstrations be permitted to occur in the following locations:

- Residence Halls
- Faculty, staff or administrative offices
- Laboratories, computer rooms or the Holy Spirit Library
- Areas that contain valuable or sensitive materials, collections, equipment, records protected by law or by existing University policy, such as educational records, student-related or personnel-related records and financial records
- Classrooms, seminar rooms or meeting rooms where classes or private meetings are being held or immediately scheduled to be held
- Emergency facilities, communication equipment and utility areas, or other facilities or service areas vital to the continued functioning of the University

**Requirements:**

- Students participating in campus demonstrations must abide by the behavioral expectations outlined in the Community Standards for Student Conduct. Faculty and staff must abide by the behavioral expectations outlined in their respective University handbooks. Alumni must abide by the behavioral expectations outlined in the By-Laws of the Cabrini University Alumni Association.

- Demonstrations must be located at a distance from a University ceremony or event that is sufficient enough not to disrupt or impede the normal progress of the program.

- Sound associated with demonstrations must be reasonable and at a volume that will not interfere with classes, residence halls, business hours, programs or events.

- Placards used by participants must be made of poster board or similar material, not of hard substances (e.g., wood or heavy, inflexible plastics). Placards may be carried or worn on the person, but not mounted on carrying posts or nailed to trees and shrubs, or on the outside or inside of buildings.

- Literature or other printed materials cannot be forced upon others or distributed in ways that obstruct the free flow of vehicular or pedestrian traffic. Printed materials may not be scattered on the ground or left unattended on University benches, tables, sidewalks or building hallways and entrances. All trash, signs and printed materials must be collected and placed in appropriate trash or recycling containers by those participating in the demonstration.

- Persons or organizations causing damage to University property during a demonstration will be held financially responsible.
The individual(s) identified as the coordinator(s) of the demonstration is/are responsible for ensuring that all conditions of the demonstration policy are met. Should violations occur, the Director of Public Safety or his designee, in consultation with the senior administrator who approved the event, will issue one warning that the group or individual participants are in violation and ask that the behavior be corrected within 15 minutes of the warning. Should the group or individual participants continue to engage in that or any other violation after the warning period provided to self-correct has been issued, instructions will be issued to terminate the demonstration immediately.

**Fire Safety Regulations**

The deliberate or malicious reporting of a false alarm of fire; the tampering with or misuse of life safety equipment (e.g., fire alarm systems, fire sprinkler systems, emergency exit door alarms, and firefighting, safety, or electrical equipment); the failure of students to evacuate a building upon the sounding of a fire alarm; or the failure of students to follow the direction(s) of a University official during fire evacuation drills is a violation of the Community Standards for Student Conduct.

The means of egress (e.g., all room doors, corridors, hallways, stairways, stairway landings, exit doors, exterior areas of exit doors) of all campus buildings shall be continuously maintained free of all obstructions or impediments for its full instant use in the case of fire or other emergency. No postings shall be attached to, or material or equipment stored inside of, exit stairways or exit enclosures.

Repairs or alteration to electrical wiring and fixtures, or gas pipes and fixtures shall only be made by University authorized personnel. Multi-plug adapters or unprotected plug strips are prohibited. Extension cords shall be plugged directly into an approved receptacle and serve only one portable appliance, except multi-plug extension cords having built-in circuit breaker protection may serve more than one portable appliance.

The use of all open flamed devices (e.g., burning candles, incense, potpourri burners, alcohol lamps, kerosene lamps and heaters) and equipment with exposed heating elements (e.g., coffee pots, hot plates, grills, toaster ovens, portable electric space heaters, halogen lights) are also prohibited inside residence hall rooms. Portable electric space heaters shall only be used for temporary emergency heating, as authorized by the Facilities Department Director.

**Identification Cards**

Cabrini University identification cards for residential and commuter students are available through the Department of Public Safety. The first ID card is free. Replacement of a student ID card costs $20. Students with residence hall or classroom access cards are cautioned to use them with care.

Cabrini ID cards should not be stored near a computer or other electronic device or other card with a magnetic strip (e.g., credit cards, debit cards, etc.). Do not punch holes in the card as this will deactivate it.

Students may get their ID cards at the Department of Public Safety at any time. Public Safety is open 24 hours a day, 7 days a week. Please bring your Banner ID Number and picture identification with you for processing.

Students are expected to carry their Cabrini IDs with them at all times on campus, and to identify themselves to Public Safety Officers or other University officials when requested.
**Vehicle Regulations**

Parking and traffic enforcement is the Department of Public Safety’s responsibility. Campus vehicle regulations are available on the University website. Illegally parked vehicles will be ticketed and/or towed or booted according to the published regulations. Although the University has taken all the above measures to provide a safe environment, safety is the responsibility and concern of everyone.

**First-year resident students are not permitted to have cars on-campus.**

Individuals seeking exceptions to this policy should submit their request in writing to the Director of Public Safety and include medical, employment, or other documentation supporting their need for a vehicle. All documentation must be submitted at the same time, before approval and before you bring your vehicle on to campus. Applications are available at the Public Safety Office and on line on the Public Safety website. All requests are on a first-come first-served basis.

**Vehicle Regulations and General Information**

The roadways of the University and its parking spaces fall under the jurisdiction of the Department of Public Safety, which is responsible for the administration and enforcement of regulations designed to facilitate an orderly traffic flow on campus.

These regulations apply to students, faculty, staff, and visitors. Infractions of these regulations are the responsibility of the person who registered the vehicle on campus. The University is not responsible for loss due to theft or damage to a vehicle that occurs on University property.

All temporary parking arrangements on campus are to be scheduled and approved through the Public Safety Department. Student parking permits are only available online at [http://cabrini.thepermitstore.com](http://cabrini.thepermitstore.com).

**Vehicle Registration**

1. Parking Violations, Moving Violations

Strict Enforcement of Violations of Handicapped Spaces

Handicapped parking is restricted to vehicles with:

- A valid “Handicapped Parking” hang tag permit from the rear-view mirror or
- A valid “Handicapped Parking” license plate, issued by the state in which the vehicle is registered
Any vehicle not displaying valid identification that is parked in or blocks a marked handicapped space anywhere on campus—including the lots adjacent to residence halls—even for a short period of time shall, at a minimum, be subject to the following:

- Issuance of a parking ticket: $150 fine
- Attachment of an immobilizing book: $75 fee
- Total cost: $225

No immobilizing boot will be removed until the owner or person responsible for the vehicle pays in full all fines and fees due or it can be successfully linked to the student’s university account.

If the person responsible for the booted vehicle does not respond to the Public Safety Office within one hour of the boot being attached, the vehicle may be towed off campus by a private towing company.

**Paying Fines**

ALL parking fines must be paid online by going to [https://cabrini.thepermitstore.com](https://cabrini.thepermitstore.com). Violators have 15 days to appeal or pay the fine. After 15 days the right to appeal is forfeited. After 20 days a $10 late fee will be added. After 30 days an additional $10 late fee will be added and the fine will be transferred to the violator’s University bill. Fines accumulated by visitors will be assessed to the student the violator is visiting.

**Appeals**

In order to appeal a traffic violation, the registrant must file an internet appeal to [https://cabrini.thepermitstore.com](https://cabrini.thepermitstore.com) within 15 calendar days of the violation. All other questions or suggestions regarding parking should be addressed to [parking@cabrini.edu](mailto:parking@cabrini.edu) or the Director of Public Safety. Appeals not taken in a timely manner will incur additional processing charges.

**Immobilization of Vehicles**

When a vehicle is issued a fourth parking ticket, or is parked in or blocks a marked handicapped space/zone, the Department of Public Safety may apply an immobilizing device to the vehicle, along with a sticker warning the owner not to move the vehicle until the immobilizing device has been removed. Cabrini University reserves the right to immobilize or tow any illegally parked vehicle on campus without previous warning. The following range of penalties is for violations of the vehicle regulations.

**Boot**

The registrant will be charged $75 for the removal of the boot. If the registrant has not contacted the Department of Public Safety to have the boot removed within 24 hours, an authorized towing company may tow the vehicle, and the registrant will incur an additional charge for the towing.

Tampering with or removing a boot may also result in criminal charges being filed through Radnor Police. After a second application of a boot, vehicles may be towed immediately for any further violations.
**Towing**
The violation of University parking regulations by individuals who have accumulated a fourth ticket in the same academic year will result in the application of a boot and the towing of the vehicle if the boot has not been removed within 24 hours. Upon receipt of a fourth ticket for parking regulation violations students could lose parking privileges for the remainder of the year.

The Department of Public Safety reserves the right to immediately tow vehicles which are in dangerous positions or are creating a hazardous condition, as well as any vehicle which, through its reckless operation, has created a danger to the University community.

Vehicles may also be towed immediately from tow-away zones, fire lanes and roadways or driveways that they are blocking. Furthermore, vehicles may also be towed when registrants refuse to identify themselves. All towing and storage costs will be responsibility of the vehicle owner.

**Revocation of On-Campus Driving and Parking Privileges**
After five violations, a drive may be "banned" and not permitted to park or drive any vehicle on campus for the remainder of the academic year.

Drivers with fewer than five violations may be banned if any one violation is serious enough to warrant immediate suspension of all vehicle privileges. The decision to banish rests with the Director of Public Safety.

**Daily Crime Log**
A comprehensive crime and fire log is kept of all criminal complaints, reports, incidents on campus. The crime and fire log is public record available for review at the Department of Public Safety.

All incident reports are circulated to appropriate departments (e.g., Student Life, Residence Life, Facilities, etc.) to be used as a form of communication between the Department of Public Safety and the responsible officials.

Student violations of the *Community Standards for Student Conduct* are referred to the appropriate University official for administrative or other action.

**Lost and Found**
A box for lost and found items is maintained in the Public Safety Department, located at The Public Safety Building (Maguire House). Unclaimed items are retained for one semester and then discarded.

**Shuttle Service**
The University provides a free shuttle service to and from the two Radnor train stations and other key locations in the area, including the Lancaster Avenue business district in Wayne and the King of Prussia Mall.

Registration of Student Organizations

To ensure the educational integrity of co-curricular activities on campus, the Center for Student Engagement and Leadership has developed guidelines for the student organization registration process, the method of obtaining official institutional authorization for the development of a student organization or recreation club.

Registration does not imply that Cabrini endorses the views of the organization as a group. Rather, it implies that the institution accepts the organization’s mission as educationally valid and that the organization has complied with the registration procedures.

Requirements for Registration

Each new organization applying for registration as a Cabrini University student organization must submit the following to the Center for Student Engagement and Leadership. A video tutorial and additional information about the registration process can be found at www.cabrini.edu/Getinvolved.

- A constitution for the organization (resources are available on-line at www.cabrini.edu/GetInvolved to assist groups in developing a constitution).

- Annually renew its registration and submit an updated member list. The registration form is available online (www.cabrini.edu/GetInvolved) and must be submitted by September 30th each year.

- All student organizations must have an advisor who is a full-time faculty or staff person at Cabrini University. The advisor must sign the registration paperwork to confirm their agreement to serve as advisor to the organization.

- A minimum of 10 undergraduate students must be willing to be active in the student organization in order for the organization to be recognized.

- All students seeking involvement in a student organization must be in good academic standing as specified in the Cabrini University Catalog. Student organizations may stipulate higher GPA requirements for membership in their constitution if they so choose.

Privileges of Registered Student Organizations

Registered student organizations are permitted to:

- Use the Cabrini University name on and off-campus after approval through the Center for Student Engagement and Leadership.

- Reserve space on campus for organizational meetings, events, activities, programs.

• Inform the Director of the Center for Student Engagement and Leadership of any student organization activities that are in violation of the organization’s constitution and bylaws or University policy

Rights of the University

The University reserves the right to deny or cancel official student organization registration when, in its judgment, a student organization’s stated or actual purpose, goals, and/or activities are in opposition to the mission and core values of the University, including, but not limited to:

• organizations with discriminatory membership practices
• groups that do not disclose their purpose, memberships, or activities
• commercial groups whose purpose and activities are designed as profit-making endeavors for the benefit of their members
• groups that foster hatred or intolerance of others because of their race, nationality, religion, gender, or sexual orientation

The University further reserves the right to:

• regulate time, place, and manner of all on-campus student activities

Appeals

Groups whose application for registration is denied may appeal to the Vice President for Student Life, whose decision will be final.
**Revocation of Registration**
Any student organization that has been granted institutional registration and that violates its own statement of purpose and/or constitution, or fails to comply with University policies is liable to revocation of registration or other sanctions consistent with Cabrini’s *Community Standards for Student Conduct*.

Complaints may be filed by or with the Director of the Center for Student Engagement and Leadership, who will review the case against the student group and decide for or against revocation of registration. The Vice President for Student Life has the final authority on the revocation of registration of student organizations.

**Responsibility for Contracts**
No liabilities or expenses may be contracted in the name of the University by any student organizations, recreation club or their respective members or advisors. Contracts initiating actions to procure a service, equipment or program can only be authorized by the Director of the Center for Student Engagement and Leadership, the Associate Director of Athletics, Recreation and Community Engagement (for Recreation/Sport Clubs), or the Vice President for Student Life or his/her designee. Final approval and signature of the Vice President of Finance is required to initiate any contract on behalf of the University.

**Budgeting for Registered Student Organizations**
Each club/organization affiliated with the Student Government Association (SGA) is eligible for funding, as long as the student organization’s program, event, and/or activity is open to all Cabrini students. Budget requests are accepted on a rolling basis throughout the academic year until all funds are allocated.

All student organizations and recreation clubs must submit a “Budget Proposal” form and follow the guidelines established by SGA’s Student Organization Funding Committee (SOFC). The budget guidelines are available on the SGA webpage at [www.cabrini.edu/studentgovernment](http://www.cabrini.edu/studentgovernment).

SOFC will review proposals and make preliminary determinations on budget allocations and then recommend budget allocations at an SGA General Assembly Meeting for final approval. The Executive Director for Student Engagement and Leadership will review SGA’s recommendation and grant final approval or return to SGA with recommendations.

**Funding Guidelines for Registered Student Organizations**
All funding for registered student organizations and recreation clubs will be granted by the Student Government Association, in consultation with the Center for Student Engagement and Leadership (SEaL). Decisions are based on the merits of the proposal submitted by the organization.

The Student Government Association’s Student Organization Funding Committee (SOFC) accepts funding proposals from registered student organizations and recreation clubs for programs, activities, and events which are open to the student body.

When allocations are approved by SGA’s general assembly, SGA recommends to the Executive Director for Student Engagement and Leadership the amount to be allocated to each organization’s budget. The final allocation will take into
consideration how active the group has been, their financial records, and status within the University.

No registered student organization shall be withheld funding on the basis of race, religion, gender, national and/or ethnic origin, or age of its members. Particular activities, however, may not receive funding if they involve the organized advocacy of positions or activities that contradict the institution’s mission or its Catholic ideals.

To qualify for funding, an organization/club must be registered with the University and with SEaL. All required paperwork must be completed and submitted including constitution, membership list, officers, advisor, etc.

**Copy Machine Guidelines for Registered Student Organizations and Recreation Clubs**

Students who are making copies for an organization or club using the equipment available in the Center for Student Engagement and Leadership (SEaL) should have experience using copy machines, and should contact the office assistants in SEaL to obtain instructions on the use of the copier. The maximum number of copies that can be made on the machine in SEaL is 30.

Copy jobs exceeding that maximum should be taken to Grace Hall Room 203 for copying. Student organizations and recreation clubs will be charged for all copies at cost. All new student organizations or recreation clubs will need to set up an account in Grace Hall 203 before making copies. All registered Recreation/Sport Clubs should contact the Associate Director of Athletics, Recreation and Community Engagement to obtain an account and receive permission to use the copier located in the Dixon Center.

**Campus Posting Policies**

Approval for posting signs, fliers, banners, etc., must be obtained from the Center for Student Engagement and Leadership. Items approved for posting will be stamped to that effect, and a removal date will be specified.

Duplication or copying of signs/fliers should not be completed until the original has received the approval stamp.

Material that has been posted without approval or that has been posted in an unapproved location will be removed and discarded. Groups or individuals who fail to follow posting policies and guidelines risk the loss of future posting privileges, as well as disciplinary action.
